Welcome to the new AFL season for 2019, we hope everyone has fun and enjoys the season. **Training** will begin for the Club on **Tuesday 19th Feb**, with the exception of the Auskick/Superstars that will start a little later. Full details on Training day and times are on page 2. Please make sure your child brings along a drink bottle to training and their mouthguard.

Season games will commence on the **6th April** and the AFL Gold Coast Juniors will set the game schedule in the next few weeks for the season from under 9's up. The games for Under 6 & 8's are organised between the clubs and our junior coordinator will be organising these each week. The policy is that it is compulsory for children in all age groups to wear a mouthguard both at all training sessions and at games. Self moulding mouthguards can be purchased at any sporting supplier and at most chemists. We also have Bulldogs Mouthguards available for purchase for \$25.

Age Groups from Under 12's and up have to wear **away shorts** which are White to all games played at other venues. When at Home, the Blue shorts are to be worn. Children are only allowed to wear **skin/tan** coloured compression pants/skins as part of the playing rules. Our club has an exchange program where parents are encouraged to donate their children's old **footy boots**, still in good condition, into our footy boot box for other children in the club to use. All we ask for is a gold coin donation from the parents taking a pair of boots from the box.

As we are a club run purely by **volunteers**, we request that all families chip in over the season to volunteer their time. There are various jobs such as canteen, BBQ, oranges etc that we need help with throughout the season. Our team managers will work with parents to ensure our key volunteer roles are filled each week. Our motto is *'Many hands make light work for everyone.'*

We have a number of additional **volunteer roles** to fill this season with some committee, assistant coaches and team manager positions available. Please speak to our club President Yvonne Blackburn if you are able to assist. Mobile 0455 092 810 president@ormeauafl.com.au

Uniform and Merchandise Shop
